# our values

## **Employee priority** - *Our people come first.*

We care, respect, and nurture our employees every step of the way. Through cultivating an environment where work and talent are valued and appreciated, we ensure that professional growth is a natural way forward. We also continually work on streamlining and simplifying processes to help our people increase efficiency and lead happier and fulfilling lives at work, as well as at home, through a healthy work-life balance; because happy employees, ensure happy clients.

## **Continuous innovation** - *Leading the industry, one innovation at a time.*

Innovation is a key aspect of our growth mindset. We believe that every day, in every project and activity, there is room for improvement. These may be giant leaps or small gradual steps in the right direction — but they all add up to help us be better than we were yesterday. This is the key that ensures we maintain our industry-leading position and consistent growth in the market.

**Quality commitment - *An incomparable and uncompromisable promise.***

At WOODStyles, we take pride in our work. We are known for providing the highest quality joinery and carpentry in all our projects. Following only the highest standard processes, we use the best materials and the right certifications — a promise we will always maintain — to not just satisfy, but exceed our clients' expectations.

**Safety focused - *Safety — above all else.***

Engrained in our work culture, prioritised in our management decisions, and ensured in our work processes are safety measures. We make sure that all of our workplaces are kept clean and organised with the aim of zero accidents — for our staff, our clients as well as their customers.

**Stronger together - *Our individual differences strengthen us as a team.***

At WOODStyles, everyone gets to shine and have their time in the spotlight. Every team member is appreciated and recognised for their efforts and talent.

We are a team on a mission — to raise the bar and set higher industry standards for finishing. We collaborate in harmony with each other as well as our clients' teams to deliver only the best that the industry has to offer — extraordinary designs, beautifully finished.

# mission

To be the industry leader through continually improving our processes, building credibility and adding value to our stakeholders.

We have obtained ISO 9001:2015, ISO 14001 and ISO QSE certification. In addition, we periodically subject our technical teams to internal and external training and audits to ensure continuous development in their career, skills, work quality and efficiency.

# vision

To provide the best products and services to achieve maximum client satisfaction, while maintaining strict adherence to requirements, standards and agreed timelines.

# our team

WOODStyles was founded out of a passion for crafting premium joinery and fit-outs that meet the highest standards, using only the finest materials to enhance exceptional designs. Since 2015, we've been committed to creating sustainable, functional, and durable designs that showcase Nigeria's ability to deliver outstanding fit-outs and compete internationally at the highest levels.

As a homegrown brand, we're proud of our growth and the partnerships we've built with esteemed companies such as Shell, Microsoft, BBC Nigeria, and various 5-star hotels. These collaborations have allowed us to bring lavish design concepts to life with our bespoke finishes.

At WOODStyles, our value-driven approach is evident from the moment you step into our offices. We nurture our team to continually innovate and maintain the highest quality in every project. We operate as a family, with a shared commitment to excellence that is reflected in all we do.

We look forward to the opportunity to work with you and bring your vision to life.

Sincerely,  
Samir Bader  
Managing Director, WOODStyles
